 - e. **Silverdome area blues society mingle 9/2019** – From Doug: *I've already got a bunch of bands lined up for Friday and Saturday at the end of September. Most of the best WI artists from different parts of the State (Rev Raven, Jay Stulo, Howard Luedtke), a couple of Chicago "headliners" (Lil Ed - Sat, Studebaker John - Fri) and a MN artist for each night as well, I hope (Scottie Miller on Sat for sure, and some solo act for Fri, maybe Lonesome Dan Kase). Unfortunately, neither Charlie Parr nor Joe & Vicki Price were available for that weekend. I'll be reaching out to a few other Blues Societies this week, so I hope to have some feedback from them as well.*
