

Voted "Best Blues Band in the Chippewa Valley" 2008-2014, **Mojo Lemon Blues Band** has been a staple in the Western Wisconsin music scene for a decade. Although the meaning of the band's name is up for interpretation, there is no question that the fellas in Mojo are passionate about what they do. Spawned from area bands out of the fountain-o-blues that is the Chippewa Valley, Mojo has won over the hearts and ears of blues and rock fans alike, and on their own terms.

The band continues to dabble in the many stylings of blues, funk, rock & roll, even country and has developed a somewhat unique sound. Mojo's in-your-face high-energy shows have become the standard on the local and regional music scene, and the "Mighty Lemon" is not afraid to give til it hurts. Get on the edges of your seats and enjoy America's music, played straight from the heart and soul, the way it was meant to be presented in that unmistakable Mojo sound, since 1999.

SOCIETY

Start it Up! Start it Up! Bluesmobile Movie Restoration!
 Have you seen Elwood Blues hanging out with the Chippewa Valley Blues Society lately? Yes, that's Michael Bartholomew, an Elk Mound native with a deep love for the blues, the Blues Brothers and the Bluesmobile!

Mike grew up in the Elk Mound, WI area. He was introduced to the blues and The Blues Brothers when he was around the age of 7 by his parents. Mike was diagnosed with autism around 4 or 5 years old, but it has not stopped him from achieving his goals throughout life. Fast forward to today – at 21 he's heavily into cars, music, and being a traveling outdoorsman. He is attending CVTC to become an Auto Body Technician and currently works at Grease Monkey in Eau Claire.

"Elwood" recently joined the Chippewa Valley Blues Society and says that he's having the time of his life! He is currently restoring two of his own cars, and is eager to work on his dream car, the Bluesmobile! His main

goal is to replicate the movie accuracy of the car (correct front clip, 440, etc.). He aspires to be the car's new owner someday so that he can preserve it for the public to enjoy wherever it goes. Our old Dodge Royal Monaco is purring along these days since he replaced the head gaskets and gave everything a good tightening up! The Bluesmobile will spend this winter with Elwood getting a little overdue TLC. The CVBS looks forward to seeing everyone next year at the Eau Claire Memorial Day Parade!

Come say hello to Elwood when you see him driving the Bluesmobile around town, at Tuesday Night Blues, car shows and other blues music events in the area.

The People Who Help Make Tuesday Night Blues Happen

Next Week (May 30, 2023)
 TBA

A HUGE thank you to all of you for coming out this year, as we wrap up our 13th season! Sometimes it's hard to believe that we've been doing this for that many years. We've survived quite a few challenges along the way, weathered a pandemic, and have experienced a lot of joy at the same time. While I've never been able to find the author of the quote, it definitely applies to this season: "I believe that bad things happen in life to teach us how to look at good things in a whole new light"

The Chippewa Valley Blues Society would like to thank the following businesses and people for helping complete another season of Tuesday Night Blues at Owen Park:

The Bands They travel to Eau Claire on a Tuesday night, load in their gear, fry in the heat of the Sgt Boyd Bandshell stage, potentially avoid falling debris and overzealous fans, deliver an amazing performance for 2 hours, load out and drive home. Whew! They work their butts off to bring us a great show!

DMi Sound Another group of people that work extra hard to bring you the show. They are the first ones there and the last ones to leave every week. Thank you, Duane, Jean, Rastlin and Ben.

Chippewa Valley Blues Society 2022 Board of Directors Thank you all for the countless hours that you put into making sure all the work gets done! Cheryl Apfel Wise, President; Di Christopherson, Vice President; Mary Dettman, Treasurer; Kari Ann Fischer, Secretary; Dan Callan, TNB Coordinator; Linda Soltice-Schroeder, Director at Large. Very special thanks to Mary Dettman for her many years of steering the ship.
